part 4:
summary

MISSION

Part 1:
Mission

HILLSIDE'S MISSION IN OUR MINISTRY

To help people discover who Jesus really is, and live with, like, and for Him, now and forever.

WHY?

The mission of Hillside is important to our Tech Team because it gives a focus to a type of volunteering that is mainly behind the scenes.

HOW?

Our tech team supports the mission of Hillside by supporting every ministry around us in what they do during services and events.

AGENDA

part 2:
agenda

sanctuary upgrades

audio trainings

sanctuary overviews

part 3:
training +
strategy

phase one:

- house lighting
- network based interface

phase two:

- audio updates
- construction in the sanctuary
- stage and lighting upgrades

phase one

- all new house lighting fixtures supplied by the light source
 - color temperature specified and chosen by us
 - fully rgb supporting
- new light board
 - grandMA3 or ETC Compact XT
- network based controls
 - full network support over all lights

phase two

- audio
 - d&b speakers
 - time aligning speakers within the room
 - 16-20 subs lined in the front of the stage
- acoustic treatment
 - treating the back walls with epic's custom panels
 - using these panels to flatten the wall so it's not curved
 - possibly treating the side walls
- stage setup
 - led wall, possibly ditching side screens
 - stage lights and theatrical lighting
